DISPATCHED BY Docket No. 93-67

In the Matter of

Amendment of Section 73.202(b), RM-8114
Table of Allotments,
FM Broadcast Stations.
(Globe, Arizona)

NOTICE OF PROPOSED RULE MAKING

Adopted: March 8, 1993; Released: March 30, 1993

Comment Date: May 20, 1993

Reply Comment Date: June 4, 1993

By the Chief, Allocations Branch:

1. Before the Commission for consideration is a petition for rule making filed on behalf of Linda C. Potyka ("petitioner"), permittee of Station KRXS(FM), Channel 247A, Globe, Arizona, seeking the substitution of Channel 247C3 for Channel 247A and modification of her permit accordingly to specify operation on the higher powered channel. Petitioner stated her intention to apply for Channel 247C3 if allotted to Globe, as requested.

2. We believe the public interest would be served by proposing the substitution of Channel 247C3 for Channel 247A at Globe since it could provide an enhanced service to the community. Channel 247C3 can be allotted to Globe at the petitioner's specified site, located 12.4 kilometers (7.7 miles) southwest of the community,¹ consistent with the minimum distance separation requirements of Section 73.207(b)(1) and (3) of the Commission's Rules. However, since Globe is located within 320 kilometers (199 miles) of the Mexican border, the Commission must obtain concurrence of the Mexican government to the proposal.

3. Since the petitioner's modification request at Globe conforms with the provisions of Section 1.420(g) of the Commission's Rules, we shall propose to modify the permit of Station KRXS(FM) without entertaining competing expressions of interest in the use of Channel 247C3 at that community, or requiring the petitioner to demonstrate the availability of an additional equivalent class channel for use by such parties.

4. In view of the above, the Commission believes it is appropriate to seek comments on the proposal to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, with respect to Globe, Arizona, as follows:

5. The Commission's authority to institute rule making proceedings, showings required, cut-off procedures, and filing requirements are contained in the attached Appendix and are incorporated by reference herein. In particular, we note that a showing of continuing interest is required by paragraph 2 of the Appendix before a channel will be allotted.

6. Interested parties may file comments on or before **May 20, 1993**, and reply comments on or before **June 4, 1993**, and are advised to read the Appendix for the proper procedures. Comments should be filed with the Secretary, Federal Communications Commission, Washington, D.C. 20554. Additionally, a copy of such comments should be served on the petitioner's counsel, as follows:

Mark N. Lipp, Esq.
Mullin, Rhyne, Emmons and Topel, P.C.
1000 Connecticut Avenue, N.W.
Suite 500
Washington, D.C. 20036

7. The Commission has determined that the relevant provisions of the Regulatory Flexibility Act of 1980 do not apply to rule making proceedings to amend the FM Table of Allotments, Section 73.202(b) of the Commission's Rules. See *Certification that Sections 603 and 604 of the Regulatory Flexibility Act Do Not Apply to Rule Making to Amend Sections 73.202(b), and 73.606(b) of the Commission's Rules*, 46 FR 11549, February 9, 1981.

8. For further information concerning this proceeding, contact Nancy Joyner, Mass Media Bureau, (202) 634-6530. For purposes of this restricted notice and comment rule making proceeding, members of the public are advised that no *ex parte* presentations are permitted from the time the Commission adopts a Notice of Proposed Rule Making until the proceeding has been decided and such decision is no longer subject to reconsideration by the Commission or review by any court. An *ex parte* presentation is not prohibited if specifically requested by the Commission or staff for the clarification or adduction of evidence or resolution of issues in the proceeding. However, any new written information elicited from such a request or a summary of any new oral information shall be served by the person making the presentation upon the other parties to the proceeding unless the Commission specifically waives this service requirement. Any comment which has not been served on the petitioner constitutes an *ex parte* presentation and shall not be considered in the proceeding. Any reply comment which has not been served on the person(s) who filed the comment, to which the reply is directed, constitutes an *ex parte* presentation and shall not be considered in the proceeding.

¹ Coordinates at the petitioner's specified site for requested Channel 247C3 at Globe are 33-17-37 and 110-50-09. Consideration of this proposal, and termination of this proceeding, is

conditioned upon the adoption of a working arrangement between the United States and Mexican governments to implement the 1992 U.S./Mexico FM Broadcast Agreement.

4. *Comments and Reply Comments; Service.* Pursuant to applicable procedures set out in Sections 1.415 and 1.420 of the Commission's Rules and Regulations, interested parties may file comments and reply comments on or before the dates set forth in the *Notice of Proposed Rule Making* to which this Appendix is attached.
